

on the finest English chalk streams

Fullerton Estate River Test & Anton

1. All rods must be in possession of a valid Environment Agency rod licence.
2. Size limit – 12 inches.
3. Bag limit – 1 1/2 brace.
After 3 trout have been killed fishing must cease.
However if only 2 fish have been killed in a day, they may continue with Barbless hooks to catch and return three more fish, taking great care not to injure them by releasing carefully preferably without handling..
4. Upstream dry fly only until 30th June, thereafter upstream nymph also permitted.
5. All diseased fish caught must be killed; these will not count towards the bag. Please remove from the fishery.
6. Wading is only allowed on the Anton where both banks belong to the estate. (Beats 3 (top half), 4, 5 and 6). Strictly no wading on the Test beats.
7. Dogs are permitted but must be kept under strict control. The keeper may ask for dogs to be removed.
8. Rods must not be shared.
9. Please complete record book before departure. These are located at the beat access points.
10. Fullerton Farms Partnership or Famous Fishing does not hold responsibility for loss or damage to property belonging to any of the rods or their guests.
Similarly the Estate or Famous Fishing does not hold responsibility for any personal injury to the rods themselves or their guests whilst on the property.
